UTILITY TRAILER

TKU

TRAIL KING
WE'VE GOT YOUR BACK.

STANDARD FEATURES

Safety Chains

Heavy-duty safety chains with GVWR-rated grab hooks are built tough for years of dependable service.

Tie-Down Brackets

Includes 6 heavy-duty tie-down brackets as standard equipment for securely transporting your toughest loads.

Adjustable Hitch

Accommodate a wide variety of towing vehicles with an adjustable 4-bolt hitch rated for the full GVWR of the trailer. Available in ball hitch or pintle hitch configurations.

Toolbox

Spacious toolbox spans the entire width of the tongue area for enough room to store all your chains and tools. Optional lockable tool box lid shown.

Safety Headboard

The safety headboard provides extra dimension of safety and load-hauling security.

Products shown may feature optional equipment. Available specifications are subject to change without notice.

LASTING PERFORMANCE.

LOW-MAINTENANCE.

Axles, Tires, Fender

Torflex axles, 8-hole wheels, radial tires and rounded fenders deliver a smooth ride, long service life, and attractive appearance.

Lightweight Ramps

5-foot and optional 6-foot lightweight ramps with pin on stow bar and spring assist.

Drop Leg Jack

Bolt-on 12,000-lb. jack with drop leg.

Break-Away System

The lighted read-out break-away system monitor provides easy and convenient monitoring of the charge status.

Protected Electrical System

Features rubber-mounted, shock-proof, sealed lights and rubber grommets for all wiring through the frame for longer, trouble-free, low-maintenance performance life.

***See your local dealer for full list of available options.**

Bolt-On Spare Tire Carrier

An available option that allows you to safely mount and easily remove a spare tire.

Oak Decking

All TKU models come with 1.5" nominal oak decking that is double screwed to crossmembers to prevent cupping. This deck will stand up to years of rugged service. Optional apitong decking available.

I-Beam Crossmembers

Full-width steel I-beam crossmembers provide maximum load-bearing strength. 2-part polyurethane primer is completed prior to adding the deck to provide corrosion resistance in unseen areas.

SMALL CONSTRUCTION. BIG CAPABILITIES.

Trail King's Utility trailer is expertly manufactured to be small, strong and stable. The TKU models range in capacity from 12,000-lb. to 16,000-lb with standard self-supporting lightweight ramps that offer secure loading for versatility and maximum payload.

Invest in a Trail King Utility trailer that is proven to be a low-maintenance, long-lasting work horse. **You'll be glad you did.**
