ALUMINUM GRAIN HOPPER CONVEYOR TRAILER

TKAHTC

TRAIL KING
WE'VE GOT YOUR BACK.

UNMATCHED IN VERSATILITY & EFFICIENCY.

Trail King's Aluminum Grain Hopper Conveyor Trailer is the most advanced and reliable multi-purpose trailer unit in the industry. A strong stainless steel conveyor attaches to our standard aluminum grain hopper trailer with the option to be removable. Designed as light as 13,516 lbs., you will have the freedom to haul more in every load. Faster seeding and fertilizing made possible with hauling capacities of up to 1,402 bushels (heaped).

When time matters and productivity counts, you need a dependable hauling solution like the Trail King AHTC.

TRAIL KING
ALUMINUM GRAIN HOPPER
CONVEYOR

STANDARD FEATURES

4"x 4" Top Rail, 8" Channel Bottom Rail

High-Strength extruded aluminum rails built for stronger performance in the field and over-the-road.

Multi-Purpose Conveyor

This 2,816 lb. lightweight conveyor has a ground clearance at 21" ideal for any terrain or weather, and bottom conveyor is reversible for bulk unloading with front discharge into a pit or auger. Prevents seed damage as well as cross-contamination.

Multiple Compartments & Trap Doors

Available in up to 4 compartments with full height dividers, trap door set up provides easier control of products in any hopper.

Extended Conveyor Range of Motion

Built with the ability to swing 12' side to side, the conveyor can fill multiple bins in an Air Seeder or Floater without moving, which reduces your fill time in the field.

MORE FEATURES.

FASTER PRODUCTION.

Corrosion Protection

Kingpin, running gear, and subframe assemblies are primed and painted with 2-part polyurethane paint for long-lasting corrosion resistance, increased durability, and attractive appearance.

I-Beam Crossmembers

Heavy-duty crossmembers on 5th wheel and rear subframe add stability.

Industry Leading Hydraulics

16.5' upward hydraulic adjustment of the conveyor allows easy access to Air Seeder or Floater. Control of conveyor and the flow of product become easier to maintain with the "feathering" ability of the hydraulic controls.

Standard Shur-Co® ProTrap

The ProTrap® electric hopper opener with the Standard Shur-Co® 4500 Series Roll Tarp allows the operator to open or close hopper doors while staying back out of the dust.

Off-Road Design

The 1/8" single wall construction is the strongest wall in the industry with a dependable frame and suspension in the worst of road or field environments.

Products shown may feature optional equipment. Available specifications are subject to change without notice.

POPULAR ADD-ONS:

- **Wet Kit Option**
- **Available in Tandem or Triple Axle**
- **Available in Double, Triple or Quad Hoppers**
- **Aluminum Wheels**

Wide Conveyor Belt

16" and 18" conveyor belts with cups ensure swift and damage free transport of product to fill area.

Sight Windows

For visibility while monitoring the hoppers fill up without the inconvenience of climbing up and down your trailer, seeder, or tractor, these windows are available in multiple positions (high or low stacked).

Standard Shur-Co® 4500 Series Roll Tarp

This strong, safe, and simple one-person operated roll tarp is designed to withstand any conditions while protecting your load.

PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs:

PEAK PARTS
PERFORMANCE

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and serviced facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

PEAK REFURB
PERFORMANCE

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

PEAK FINANCE
PERFORMANCE

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.
