

TRIED & TRUE. SATISFY YOUR FARMING OPERATIONS.

Featuring an efficient single wall construction and subframe protected by a 6-stage prep, prime and paint process, Trail King's durable Aluminum Grain Hopper Trailer will satisfy your farming operations for years to come. Available in sizes from 22 ft. to 51 ft., the AHT has an aero-dynamic design for easy pulling and maximum load hauling capabilities.

If you're looking for the best, then look no further than a Trail King AHT.

Find your nearest dealer: www.TrailKing.com/DealerLocator

PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs:

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and serviced facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands of a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.

TRAIL KING
ALUMINUM GRAIN HOPPER
STANDARD FEATURES

4"x 4" Top Rail,
8" Channel Bottom Rail

High-Strength extruded aluminum rails built for stronger performance in the field and over-the-road.

I-Beam Crossmembers

Heavy-duty crossmembers on 5th wheel and rear subframe add stability.

[22,500 lb. Suspension Rating]

Single Wall Construction

Single panel wall construction ensures long-lasting strength, corrosion resistance, and durability.

Standard Shur-Co® Roll Tarp

This strong, safe, and simple one-person operated roll tarp is designed to withstand any conditions while protecting your load.

55k lb. 2-Speed Landing Gear

Capable of handling 55,000 lb., the largest capacity in the industry for optimal performance.

Sight Windows

For visibility while monitoring the hoppers fill up without the inconvenience of climbing up and down your trailer, seeder, or tractor, these windows are available in multiple positions (high or low stacked).

Hopper Structure

Available with a 22" hopper ground clearance, 35 degree hopper slopes, and hopper door locks for flexible and easy operation.

Ladders and Catwalks

Perform product inspections with ease as you access front & rear ladders with a catwalk feature.
