ALL-ALUMINUM STEP DECK TRAILER

TKAACS

TRAIL KING
WE'VE GOT YOUR BACK.

LIGHTWEIGHT. STRONG. CORROSION-RESISTANT.

Trail King's All-Aluminum Center Frame Step Deck (AACS) features superior corrosion resistance, all-aluminum framing, and zinc-plated or armor-coated steel components, making the AACS the most dependable, long-lasting step deck trailer. Engineered for superior load-hauling strength combined with competitive low deck heights, the AACS can accommodate your toughest payloads...short, tall, or any of a wide variety of cargo configurations.

The Trail King AACS...destined to be the best Step Deck trailer you'll ever own.

TRAIL KING
ALL-ALUMINUM STEP DECK

STANDARD FEATURES

**RUGGED, DEPENDABLE,
LOW-MAINTENANCE PERFORMANCE.**

Aluminum Main Beams

The main frame I-beams are constructed of aluminum webs and slotted one-piece extruded aluminum flanges to deliver more load-bearing strength in high stress areas.

Optional Toolbox

Single door. Widths: 48" or 60"

Continuous Aluminum Outer Beams

The extruded outer rail, featuring a double-L sliding winch track, is a continuous, one-piece design — even in the wheel area, where the wheel covers are built right into the deck frame.

Steel Components Zinc Plated or Armor Coated

To prevent corrosion, steel components, such as the king pin plate, sliding D-rings, winches, and all fasteners are zinc coated. Other components, such as the bolt-on landing gear, are Armor coated.

Aluminum Gooseneck

Lightweight, but strong, the aluminum gooseneck features stiffener bars on both sides of the web in high stress areas. Doubled web and overlapping flanges where the gooseneck connects to the main frame provide maximum strength in the transition areas. Also included: 4-bolt, easy-access front panel, stake pockets, and flag holders.

Floating Knee Braces and Aluminum Crossmembers

Knee braces are bolted on, not welded, reducing stress on the main beam and crossmembers. Crossmembers are on 12" centers in the main deck and 18" centers in the upper deck.

Air-Operated Control Valves

High quality air-operated valves are contained in a conveniently located, protective sealed box, and control the slider axle brakes/locks and suspension raise/lower functions. Actual functions will vary based on trailer options.

Products shown may feature optional equipment. Available specifications are subject to change without notice.

PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs.

PEAK PARTS
PERFORMANCE

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and service facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

PEAK REFURB
PERFORMANCE

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

PEAK FINANCE
PERFORMANCE

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.
